Cottage Grove Middle School Statement of Field Trip Policy

The staff of Cottage Grove Middle School strongly believe in the benefit of field trips as part of our educational curriculum. As part of that commitment, we make every effort that each of our students attends any field trip that his/her teaching team has planned. While there can be extra costs associated with field trips, please do not let any financial hardship be a barrier as scholarship funds are available. Conversely,

consider giving to our scholarship fund to help us meet the needs of all of our students if financial hardship is not a barrier for you at this time. Due to the nature of field trip scheduling, unfortunately we cannot offer refunds if students are unable to attend, for any reason, after they have been signed up and have

paid.
