

Winter is Coming, get your gear ready!

As fall is slowly turning into winter, we need to prepare for snow and lower temperatures. In order to stay warm on the snowy, cold days we need all of our students to have the proper winter gear. We need your kids to be warm and kept safe from the elements by wearing their coats, snow-pants, hats, gloves and boots. As a school, we do have a few things we can give to students but not enough.

Please ensure that your child's outerwear is CLEARLY MARKED with their name so that it is easily returnable to them if left behind somewhere in the school.

If you are in need of help finding some outerwear for your son or daughter, please fill out the bottom of this form and return it to the office or to a school social worker or counselor. Although we cannot guarantee all of the items, we will do our best to find you the items your child needs. Usually we are able to locate most of the items.

Thanks for making sure everyone is prepared for winter fun!
