

8th Grade Registration

- If your question is not answered below, please contact a counselor 😊

Things to Keep in Mind

- Below is the course card that your 7th grade student filled out in the Spring.
- Please note their top picks may not occur based on numbers and teachers available to teach.
- Please note that **STEM (Science Technology Engineering Math) and Computer Application must go together** as they are semester classes.
- Please note that **Art and LSE (Structured Study Hall) must go together** as they are semester classes.
- Please note that **Music must go with Gym** as they are every other day classes.
- Support classes, such as Math Lab and Reading Zone, take up an elective spot
 - Math Lab is every other day, which means it has to go with either music **or** gym. Students get to choose.
 - Reading Zone is every day, and takes up one elective.
- If you would like to know what your student signed up for, please contact a counselor.
- Please note that schedule changes will not be occurring after Monday September 16th
